

SUMMERS AT L.E.A.D.

We are excited about Summer Enrichment Camps at L.E.A.D. Academy this year!! Listed below are the camps that are available this summer. The registration form for each camp is listed below the camp. Please note, you are registering your student for the grade that they are GOING into next school year. You will need to register for each camp individually. If you have multiple children in your family going to the same camp a form must be filled out for each student. After filling out the camp form, please go to GradeLink and pay the full amount for the camp. Your student will not be "officially registered" for the camp until the full amount is paid. It is VERY IMPORTANT that you put the name of the camp in the comment section when paying on GradeLink, this will be helpful to our bookkeeping department. If you change your mind or your plans change the camp fee will NOT be refunded and **cannot** be transferred to another camp.

****Registration for each camp will close 2 weeks before the camp date...all forms and fees need to be filled out and paid no LATER than 2 weeks before the camp date.****

Questions? Email me at shari.maupin@leadacademylions.com

We are looking forward to a great summer of enrichment for our L.E.A.D. Academy students!
